Schedule Change Policies

We customize schedules as much as possible and will happily make changes when space allows.

Rates are based on a 39 week school year. ***Pre-pay discounts do not apply to changes made after the start of school.***

For travel: if you wish to leave for 3 weeks or more during the school year and return within the same school year, you are required to pay 30% of your tuition for those missing weeks, before your absence, in order to hold your place. If you choose not to pay this, we cannot guarantee that your child's spot will be available upon return. *Maximum tuition forgiveness of \$900.*

You are signing up for specific days of the week for the year. We do not allow make-up days.

Specific classroom/teacher requests are considered but not guaranteed.

Cash, Checks, Credit, and Debit Cards accepted

No refunds will be made for dissatisfaction with the program. Prorated refunds will be issued to those who move more than 50 miles (limited to 75% of the annual fees).
